Welcome & Introductions

Presentation on Shelter Diversion

- Role of Shelter Diversion in a Coordinated Assessment System
- Models from other communities – what has worked and what hasn't

Discussion: How could Shelter Diversion work in Orange County?

- What population(s) to target?
- Where to does the diversion work happen (front door, shelter door, other location)?
- What activities/resources would be most likely to help clients in OC to preserve their housing and prevent entry to shelter?
